May:

4th School closed - polling day
 5th Sport skills academy 3R
 8th **SATs Week**
 12th Sport skills academy 23C

 Friday 24th March 2017

Dear Parents,

It's great to be able to start this newsletter with details of more sporting success. Last Monday, our swimming team were in action at the Southport Intermediate schools gala. I am pleased to say they achieved Larkfield's best result for some years, with the girls team taking first place and the boys team second, giving

Larkfield second place overall. What a superb achievement!

Great British Dance off Video:

Staying with the sports theme, you can see a video of our dance team performing at Parr Hall, Warrington on the school website. This performance won them a place in the National Final in Oxford in June. Go to the home page and scroll down until you see the 'News' section then click on 'Great British Dance Off'.

The Nest Holiday Club:

I mentioned this club in my last newsletter and you should have received a leaflet in your child's book bag. Starting from Easter, we are pleased to be hosting a new holiday club here at school. 'The Nest Children's Holiday Club' will run from 10th - 13th April. Please contact thenesthc@gmail.com or 07889040411. There is also a facebook page: Anna Nest. Having met with the organiser on a number of occasions, and also with the OFSTED inspector overseeing the set up and registration, I am confident it will be very well run.

Parking - thank you:

Following my request in the last newsletter, we have seen a huge reduction in the number of cars coming onto site at all times of the day and I would like to thank parents for your co-operation. I do understand that this may be inconvenient, but it makes the site safer for the children. There are still one or two people who haven't got the message and we will be following up individually with them.

'Relax Kids' after school group:

Relax Kids group runs after school each Friday. The children enjoy games and activities and, as the name suggests, learn how to relax and recognise the changes that occur in their body as they do so. Children are then armed with useful strategies that they can apply to stressful situations to help them relax. Relax Kids is run by two highly qualified coaches, Helen Morris and Kerry Parkinson, who are very well known to Larkfield [as current and former parents]. If you would like your child to try relax Kids, you can try a single session for just £4.50. Please pass your details to Mrs. Craven in the office and one of the organisers will contact you with more information.

Headlice:

A reminder to be vigilant in constantly checking and treating for headlice please. If you are not already aware, headlice treatment can be obtained free from your local pharmacy under the 'Care at the Chemist' initiative.

Spring Cleaning:

If you are planning to make the most of the Easter Break by having a clear out at home, we would love to receive any new condition books or games suitable for wet playtimes in class.

Yours sincerely,

Mr. J.D. Ward
Headteacher

Don't forget..Don't forget...Don't forget...Don't forget...Don't forg
