Please also indicate if your child has any extra-curricular club (eg. football/netball) before attending the After School Care Club.

If, after booking a place, your child does not use the club, then the payment will be forfeited unless 24 hours advance notice is given, then a credit will be due to your child of the session price LESS the retainer of £2.00.

Please note that if a child is not collected by the end of their booked session, then an exception charge will be incurred of £10 per half hour extra per child.
